

The Brats

In the heart of Portobello lies 'I Monelli' ('The Brats'). So named by its owner, Ivano, to pay tribute to both his brother and their lively childhood. This establishment, while fully immersed in the local community, upholds and exemplifies the owner's Italian homeland. It pays tribute to the history, passion and integrity of his grandmother's cooking—from whom he honed his skills. Having sparked his ambition in his grandmother's kitchen, Ivano went on to master his trade in restaurants around the world, including Italy, the USA and Ireland. I Monelli keeps this tradition of local food culture, quality produce and authentic culinary art alive, while cementing its place by the canal in Dublin's Fair City.
